

We are building our team to include **Occupational Therapy!**

Eramosa Physiotherapy Associates is a therapist owned company that celebrated 25 years in May of 2022! Our services extend around the Greater Golden Horseshoe area and includes our clinics looking to expand into Occupational Therapy in: Acton, Burlington, Cambridge, Georgetown, Guelph, Elora and Orangeville

Eramosa Physiotherapy Associates (EPA) is thrilled to be building our team of healthcare providers to include Occupational Therapy. We are looking to build a roster of independent contractor Occupational Therapists to contribute to a variety of our programs and help service our client's unique needs.

As a Community Partner with Trillium Health Partners, EPA provides Speciality Program services to those injured at work. Our Occupational Therapists will primarily be working within our Workers Safety Insurance Board (WSIB) Speciality Programs to help provide treatment and a safe return to work. Typically, the Occupational Therapists will be one of our first point of contacts and work with our team to direct or administer/supervise functional and objective testing, treatment and exercise functional therapy for orthopaedic and neurology populations. In addition to the WSIB Specialty Program, they will work to formalizing return to work plans for WSIB and Motor Vehicle Accident (MVA) clients

Our Occupational therapists will service 7 of our 10 EPA locations, through both in person and virtual assessment and treatment.

As and Independent Contractor with Eramosa Physiotherapy Associates, you can expect:

- To work with an exciting team of highly skilled Physiotherapists, Kinesiologists, Exercise Clinicians and stellar administrative team
- Strong and consistent referral base
- Opportunities to participate in regular professional development with our existing team
- Opportunities for both in person and flexibility for virtual care from your home office
- Opportunities for employment across Canada with our affiliate partnerships

Successful candidates should be:

- B.Sc. or M.Sc. in Occupational Therapy
- Membership (or eligibility for) with College of Occupational Therapists of Ontario
- Valid driver's license and access to a reliable vehicle
- Passion for working amongst a team of Physiotherapists, Exercise Clinicians and Registered Kinesiologists
- Experience with managing return to work plans is an asset

How to apply:
