*Eramosa Physiotherapy Associates (EPA) are a group of physiotherapist-owned clinics with 9 locations, around Guelph and surrounding areas. Over the past 27 + years, EPA has been providing evidence-based care, with an emphasis on manual therapy and exercise through our unique approach, Your Path to Improved Health. Our growth and success over the years is because of our incredible team of dedicated, passionate, and hard-working employees.*

Our busy Georgetown clinic is looking to hire an experienced full time **(Mixed) Orthopaedic and/or Pelvic Physiotherapist**.

At EPA, we believe that our strength lies in our commitment to our core values. If you exemplify these qualities, we want to hear from you:

- Professionalism
- Willingness to go above and beyond
- Dedication to ongoing Education & skills development
- Client focus
- Positive team member
- Adaptability

Required Competencies –Our ideal Physiotherapists will have graduated from an accredited School of Physiotherapy, be registered and in good standing with the College of Physiotherapists of Ontario and bring at least 3 years of clinical experience working with pelvic health populations. However, we are also happy to consider Candidates looking for Leadership opportunities who are also interested in expanding their skills into Pelvic Health, provided that a commitment is given to complete certain Pelvic Health courses. EPA will also fund 1 recognised Pelvic course considered essential at this clinic. **If you are an Experienced looking for advancement opportunities, contact us today.**

**EPA has a dynamic open learning environment with an excellent mentorship program!**

**WHAT EPA OFFERS to new graduates:**

- Leading our annual OCE prep course with mock exam and/or resource development
- Being a Provisional Practice Supervision with 1:1 weekly mentoring session
- Leading our Pelvic Health Rounds, our Collaborative PTA/Kin Rounds, or our Collaborative Staff Rounds
- Offering 1;1 Pelvic Health mentorship
- Mentoring our Pediatric physiotherapists (if population is applicable in your caseload)

ACTON • BURLINGTON • CAMBRIDGE • ELORA • GEORGETOWN • GUELPH • ORANGEVILLE

- Lead Role opportunities with compensation based on task completion and program growth, being the expert disseminating women/men's health research to our team, client, and medical community
- Providing community talks/webinars to male and female pelvic health populations

EPA is a progressive group of clinics with a knowledgeable and supportive Admin team. We promote a culture of ongoing learning, mentoring and reward professional development. We are active in research, academics and are well known to stay up to date with evidence-based practice, leading to our great reputation in the communities we are in and resulting in consistent referrals directly from local physicians and surgeons.
